

17 September 1979

MEMORANDUM FOR:

 SWS
SWS

THROUGH : Director, Strategic Warning Staff

SUBJECT : SWS Memo of 14 September 1979.

Your memo of 14 September is well done and extremely helpful to me. As far as I know, it is the only paper in town which puts all the evidence together. It is a perfect example of what the SWS should be doing. Well done.

Richard Lehman
National Intelligence Officer
for Warning
